Rehabilitation of Somali National Academy – Ministry of labor and social affairs section Mogadishu, Somalia 11/9/2023

Subject: Rehabilitation of Somali National Academy Office for the MoLSA Mogadishu, Somalia

Closing date: 4th October 2023

Social transfers for vulnerable people (SAGAL) Project background The purpose of the project is to improve resilience of households to conflict and climate related shocks and disasters targeting 44,221 households (265,326 individuals) with a focus on internally displaced persons (IDPs), returnees and poor host communities. The project will provide cash based social transfers complemented by systems building with government for delivery of social protection. Cash based S social transfers will support households to improve nutrition and food and livelihoods security as well as combining interventions with actions to positively transform gender norms and reduce gender barriers, particularly for women. In line with the UN Convention of Rights of Persons with Disabilities (CRPD), the action will ensure mainstreaming by including people with special needs such as people living with disabilities. The SAGAL project is led by MoLSA and implemented by Somali Cash Consortium with Concern Worldwide (Concern) as lead agency and its members Save the Children International (SCI), Norwegian Refugee Council (NRC) and Danish Refugee Council (DRC). The approach has two components: to reduce vulnerability and poverty to reduce the impact of shocks and disasters through: 1) the provision of cash based social transfer to support targeted households linking humanitarian and development approaches. 2) the provision of support to build systems at the federal, regional and district levels required for a government-led social protection system.

Objective

The action is in line with the government of Somali's Social Protection Policy (SSPP) and the National Development Plan 9 (NDP-9) 2020–2024 for building government and infrastructures.

The purpose of this assignment is to rehabilitate MoLSA office to make it more convenient for work.
